A Learn and Grow Educational Program
for children, ages 10+

ART IN THE GARDEN

Open to children 10 years old and above

Free of charge

Class Limit 15

Saturday, July 9

10am - Noon

York County Master Gardeners' Learning Garden

Goodwin Neck Road at County Drive
Behind Fire & Safety Building

Botanical Artist Linda Miller will guide children as they create art from garden materials. Learning how to simplify complex structures, and add color with watercolor and colored pencils, everyone will create a beautiful journal page, using words and images.

All materials furnished by the instructor and the York County Master Gardeners' Learning Garden.

The class is held outdoors: please bring your own sun protection, insect repellent, water, and snacks.

Free and open to the public

Reservations required, class limit 15
